25X1

On 2 September 1953, KVPs were entrained at the Gera railroad station.            observed three 120-mm field howitzers, three AA guns, two field kitchens, four motor vehicles and eight boxcars. The train departed in the direction of Dresden at 7:57 p.m.

25X1A

           Comment. It is believed that the train transported elements of the ordnance school which is the only KVP unit known to be stationed at Gera.
